1. Completed and executed “Transmittal Letter” using the form attached hereto as Exhibit C;
2. Completed and executed (and notarized) “Certification Form” using the form attached hereto as Exhibit D (including Attachment 1 thereto); and
3. Reasonable written evidence (e.g., a document signed by a financial institution on their letterhead, an account statement issued by a financial institution, etc.) confirming the Bidder currently has the necessary financial resources to pay the purchase price for the Aircraft in the amount offered in the Bidder’s Sealed Bid (which in no event shall be less than the Minimum Aircraft Purchase Price).

VI. BIDDER ACKNOWLEDGEMENT AND AGREEMENT: By submitting a Sealed Bid in response to this ITB, the Bidder certifies and agrees that (i) it has fully read and understands this ITB and all of its instructions, terms, conditions, requirements, criteria and other obligations, (ii) it has had a sufficient opportunity to thoroughly inspect the Aircraft and conduct all such other due diligence relating thereto as deemed necessary, (iii) it accepts the Aircraft in its present “as is, where is, with all faults” condition (with the understanding that CMCD shall have no obligation now or in the future to make any repairs or correct any defects with respect to the Aircraft, (iv) it has full knowledge of the scope, nature, terms, limitations and conditions of the Bill of Sale and (v) **it will, if awarded the right to purchase the Aircraft as the successful Bidder under this ITB (as determined in the sole and absolute discretion of the CMCD Board of Commissioners), close on the purchase of the Aircraft from CMCD by satisfying and completing all of the Closing Requirements (as hereinafter defined) no later than 4:00 p.m. (Eastern Time) on Friday, March 27, 2026 (“Closing Deadline”);** provided, however, if the Bidder inspects the Aircraft (“Inspection”) and obtains written evidence of the Aircraft’s condition (“Condition Documentation”) at the time of the Inspection, then the Bidder’s obligation to satisfy and complete all of the Closing Requirement on or before the Closing Deadline is subject to and conditioned upon CMCD maintaining the Aircraft in the condition existing on the date of the Inspection as evidenced by the Condition Documentation obtained by the Bidder until the earlier of the Closing Deadline or the date the undersigned Bidder takes full and exclusive possession of and acquires title to the Aircraft, except for ordinary wear and tear.

VII. EXCEPTIONS TO INSTRUCTIONS OR CONDITIONS: If a Bidder wishes to request any terms, conditions, requirements, criteria or provisions different from or otherwise inconsistent with those terms, conditions, requirements and

provisions set forth in this ITB (including the Bill of Sale), then all such differences and inconsistencies requested by the Bidder (i) must be set forth and described in detail in the Sealed Bid submitted in response to this ITB and (ii) may be accepted, rejected or modified (and may result in disqualification and exclusion of the Sealed Bid from consideration) as determined in CMCD's sole and absolute discretion. If no differences or inconsistencies are indicated in a Sealed Bid from a Bidder, it shall be interpreted as such Bidder's unconditional acceptance of this ITB and intent to fully comply with all of the instructions, terms, conditions, requirements, criteria and provisions as expressly set forth in this ITB (including the Bill of Sale).

VIII. SEALED BID SUBMISSION: **Each Bidder must submit to CMCD an original copy of its Sealed Bid in response to this ITB in a sealed envelope with "INVITATION TO BID NO. 2026-02 Sale of Aircraft" clearly stated on the outside of such envelope. CMCD reserves the right to conduct investigations of the qualifications of the Bidders as it deems appropriate.

IX. WITHDRAWAL OF SEALED BID AND IRREVOCABLE OFFER: Once submitted to and received by CMCD, a Bidder can only withdraw its Sealed Bid if such Bidder requests such withdrawal in writing solely by email to MGrazewski@cmcd.org no later than the Submission Deadline. Every Bidder acknowledges, covenants and agrees that any Sealed Bid submitted by a Bidder in response to this ITB and received by CMCD (unless it has been timely and properly withdrawn in accordance with the preceding sentence) shall constitute an irrevocable offer by such Bidder for a period of sixty (60) days from submission of its Sealed Bid to comply with all of the terms, conditions, requirements, criteria and provisions of this ITB and its Sealed Bid (including the obligation of such Bidder to satisfy and complete all of the Closing Requirements on or before the Closing Deadline).

X. DETERMINATION OF AWARD TO THE SUCCESSFUL BIDDER: If CMCD determines in its sole and absolute discretion to proceed with an award hereunder, then an award of the right to purchase the Aircraft under this ITB shall be made to the Bidder that (i) offers under its Sealed Bid the highest, unconditional, non-contingent and non-revocable offer (that will be payable to CMCD in immediately available funds in an amount no less than the Minimum Aircraft Purchase Price), (ii) is qualified, responsible and responsive in accordance with all of the terms, conditions, requirements and provisions set forth in this ITB and (iii) will be in the best interests of CMCD, all as determined in the sole and absolute discretion of the CMCD Board of Commissioners (collectively the "Award Criteria"). Once the Bill of Sale is executed by the successful Bidder, the successful Bidder shall have waived any and all claims against CMCD concerning the Aircraft or this ITB.

XII. RESERVATION OF RIGHTS: Notwithstanding anything herein or in the public notice hereof to the contrary, CMCD reserves and retains the right at any time and from time to time in its sole and absolute discretion to (i) reject any or all Sealed Bids and other information submitted in response to this ITB, (ii) waive any formalities, technicalities or irregularities in this ITB, in the public notice hereof and/or in any Sealed Bids or other information received in response hereto, (iii) revoke, cancel, re-issue, re-advertise, re-bid, postpone and/or modify this ITB and/or the public notice hereof, including the schedule, deadlines, award criteria, award procedure and/or any other process under this ITB, in whole or in part, and/or (iv) award or refrain from awarding the sale of the Aircraft and/or any other rights in connection with this ITB. CMCD is not liable or otherwise responsible for any costs or expenses incurred by Bidders at any time either before or after any award under this ITB. Any Sealed Bid or other information submitted in response to the ITB which is incomplete, conditional or obscure, or which contains exceptions, irregularities or errors of any kind, may be subject to rejection in the sole and absolute discretion of CMCD.

XIII. PROTEST PROCEDURES: To the fullest extent permitted by applicable law, by reviewing this ITB and/or submitting a Sealed Bid or otherwise responding to this ITB, all Bidders hereby (i) acknowledge and accept that the requirements and procedures listed below shall govern and control all protests or other claims with respect to this ITB, any of the terms, conditions, requirements and provisions under this ITB (or any Exhibits, Schedules, Attachments, Addendums or other documents delivered in connection herewith) and/or any award, modification, cancellation or other decision (or any intended award, modification, cancellation or other decision) relating thereto and (ii) covenant and agree to adhere to and abide by all of the following requirements and procedures:

1. Any party who is adversely affected by any award, non-award, disqualification or other decision (or any intended award, non-award, disqualification or other decision) by CMCD must file with CMCD a notice of protest in writing within seventy two (72) hours after the posting of the notice of award, non-award, disqualification or other decision (or intended award, non-award, disqualification or other decision);

2. With respect to a protest of (or any other claim with respect to) the terms, conditions, requirements, criteria and provisions contained in this ITB (or any public notices, Exhibits, Schedules, Attachments or other documents delivered in connection herewith), including any provisions governing or relating to (i) the methods for evaluating Bidders or Sealed Bids, (ii) the awarding of the right to purchase the Aircraft or any other rights in connection with this ITB and (iii) any of the procedures, options, discretionary authority, reservations of rights, protections and other privileges of CMCD hereunder, a notice of protest must be filed in writing within seventy two (72) hours after the posting of this ITB;

3. With respect to a protest of (or any other claim with respect to) the revoking, canceling, re-issuing, re-advertising, postponing, amending or modifying of (or any other event relating to) this ITB by CMCD (including any Addendums issued by CMCD in connection with this ITB), a notice of protest must be filed in writing within seventy two (72) hours after the posting of the notice of the event which is being protested. Saturdays, Sundays and state holidays shall be excluded in the computation of the seventy two (72) hour time periods provided in subparagraphs 1, 2 and 3 of this Article XIII;

4. The formal written protest must be filed in writing within ten (10) calendar days (including Saturdays, Sundays, and state holidays) after the date the notice of protest is filed. The formal written protest shall state with particularity the facts and law upon which the protest is based;

5. Any person who files a protest pursuant hereto must post, at the time of filing the formal written protest (or within the ten (10) day period for filing the formal written protest), a bid protest bond payable to CMCD, in an amount equal to Twenty Five Thousand and 00/100 Dollars (\$25,000.00). The original bid protest bond must be filed via hand-delivery to CMCD at the time the formal written protest is filed or within the ten (10) day period allowed for filing the formal written protest. The bid protest bond shall be conditioned upon the payment of all fees, expenses and costs, including reasonable attorneys' fees, that are determined against the protestor in the arbitration or any subsequent court proceeding;

6. Failure to (i) file a notice of protest in strict compliance with the time periods and other requirements set forth herein or (ii) file a formal written protest and bid protest bond in strict compliance with the time periods and other requirements set forth herein shall each constitute a waiver of (a) protest rights and proceedings and (b) all other rights and claims with respect to this ITB, any of the terms, conditions, requirements and provisions under this ITB (or any public

notices, Exhibits, Schedules, Attachments, Addendums or other documents delivered in connection herewith) and any award, non-award, disqualification or other decision (or any intended award, non-award, disqualification or other decision) relating thereto;

7. Upon receipt of both the formal written protest and bid protest bond that have been timely filed, CMCD shall stop the solicitation or award process until the subject of the protest is resolved by final action by CMCD, unless the Executive Director of CMCD sets forth in writing particular facts and circumstances which require the continuance of the solicitation or award process without delay in order to avoid an immediate and serious danger to public health, safety, or welfare;

8. CMCD shall provide an opportunity to resolve the protest by mutual agreement between the parties within seven (7) days, excluding Saturdays, Sundays, and state holidays, after receipt of a timely filed formal written protest and bid protest bond; and

9. If the protest is not resolved by mutual agreement within seven (7) days, excluding Saturdays, Sundays, and state holidays, after receipt of the timely filed formal written protest and bid protest bond, then the protest shall be settled and determined through arbitration held in Naples, Florida, in accordance with the Rules of Commercial Arbitration of the American Arbitration Association (“AAA”) by a single qualified licensed neutral arbitrator (the “Arbitrator”) mutually selected by the parties; provided, however, notwithstanding the foregoing or anything to the contrary, the parties and the Arbitrator shall agree to conclude the entire arbitration proceedings within forty five (45) calendar days (including Saturdays, Sundays, and state holidays) from CMCD’s receipt of the formal written protest and bid protest bond so that the Arbitrator can render a written decision no later than sixty (60) calendar days (including Saturdays, Sundays, and state holidays) from CMCD’s receipt of the formal written protest and bid protest bond. If the parties are unable to mutually select the Arbitrator within seven (7) days, excluding Saturdays, Sundays, and state holidays, then the Arbitrator shall be selected by two (2) other qualified licensed neutral arbitrators, one of whom shall be selected by each party. The written decision of the Arbitrator shall be binding, final and conclusive on the parties. Judgment on the written decision rendered by the Arbitrator may be entered in any court having jurisdiction thereof. The fees and expenses of the arbitration hereunder shall be part of the written decision rendered by the Arbitrator (and the prevailing party in the arbitration hereunder shall recover its expenses and costs, including reasonable attorneys’ fees, from the non-prevailing party).

XIV. TAX EXEMPTION: CMCD is exempt from Federal Excise and State of Florida Sales Tax. CMCD’s Tax Exemption Certificate Number is 85-8012646311C-9.
